

## LGBTQQ YOUTH LEAD THE WAY

The unique strengths, creativity and experiences of lesbian, gay, bisexual, transgender, queer & questioning (LGBTQQ) youth and allies are the foundation of the Sequoia Leadership Institute.

Real work experience, community building and skills for life come together to support LGBTQQ and ally youth to step up as leaders and designers of lasting social change.

## WORK THAT REALLY MATTERS

Get paid to build the kind of community you want to be a part of. Internships with Sequoia Leadership Institute are all about supporting you to make a difference in your community.

Interns are hired throughout the year and each position includes a variety of opportunities including small projects and fundraising at LYRIC, community event planning, advocacy, and job placements at local non-profits.

## BUILDING SKILLS FOR LIFE

The Sequoia Leadership Institute is much more than a work experience. Every paid internship includes education, support and creative opportunities that help build skills for life.

Interns learn with and from one another about life topics including individual and community health, identity, social justice, advocacy, leadership, community building, college prep and career planning.
